Part I Writing (30 minutes)

Directions: Suppose you have just participated in a school project of collecting used books on campus. You are now to write a report about the project, which may include its aim, organizers, participants and activities. You will have 30 minutes to write the report. You should write at least 120 words but no more than 180 words.

范文：

Recently, our school successfully carried out a meaningful project of collecting used books on campus, aiming to promote resource recycling and spread knowledge.

The project was organized by the Student Union, with the active participation of numerous students and teachers. Its main objective was to gather used books that were no longer in use but still in good condition, so as to donate them to schools in need or set up a free - book corner on campus for students to borrow and read.

During the project, various activities were held. First, posters were put up all over the campus to raise awareness and encourage everyone to contribute their used books. Then, collection points were set up at convenient locations, such as the school library and the student center. Students and teachers brought their used books to these points, including textbooks, novels, and magazines. Finally, all the collected books were sorted and classified by volunteers.

In conclusion, this project not only helped recycle resources but also fostered a love for reading among students. We hope to organize more such projects in the future.

最近，我们学校成功开展了一项在校园内收集旧书的有意义项目，旨在促进资源循环利用并传播知识。

该项目由学生会组织，众多学生和老师积极参与其中。其主要目标是收集那些不再使用但状况良好的旧书，以便捐赠给有需要的学校，或者在校园内设立一个免费图书角，供学生借阅。

在项目开展期间，举办了各种活动。首先，在校园各处张贴海报，以提高大家的意识并鼓励每个人捐赠旧书。然后，在教学楼图书馆和学生中心等方便的位置设立了收集点。学生和老师们把他们的旧书带到这些收集点，包括教科书、小说和杂志等。最后，志愿者们对所有收集到的书籍进行了整理和分类。

总之，这个项目不仅有助于资源回收，还培养了学生对阅读的热爱。我们希望未来能组织更多这样的项目。
